## Good News Back from the Field!

**47 Bible Study Requests!** We have received 47 requests for Bible studies since our last issue and have passed those along to HTH congregations. Year-to-date studies: 408.

**Conversion in Arnold, Missouri:** Roger Leonhardt sent us this message: "We have a new member at Arnold. He came in from *House to House*. He was baptized a week and a half ago. He drives a tanker truck and spends a lot of time in the truck listening to podcasts. He's looking for sound info to listen to.

The cool thing is he and his wife were Bible class teachers at the mega Baptist church in Arnold. So you never know, we might get some of his friends. So just another story about how you and the guys in Alabama are making a real difference in the world."

**Conversion in Coldwater, Michigan:** David Sherfield is the minister at the Coldwater church of Christ. He emailed us to say, "The Sept/Oct issue has produced some fruit. One woman sent in for two Bible lessons written by Allen, and she has finished 16 lessons. She was baptized Sunday morning. She is 83-years-old. She said she had been to 8 churches in town but they were not teaching Bible." We have a new baby sister in Christ, who just happens to be 83-years-old!

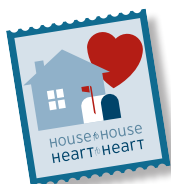

**Conversion in Centerville, Tennessee:** Paul Vaughn of the Shipp's Bend Church of Christ in Centerville, Tennessee, wrote, "We had a baptism as a direct result of HTH. The woman is

continuing to study with us. We have had seven extra Bible studies, and she is doing great!"

**Conversions in Los Banos, California:** Glen Bowman of the Los Banos church of Christ reports, "I thought that you'd like to know that two people were baptized Sunday who started coming from the summer mailing that we did through you! I'm not sure exactly what details that I should share, but here goes: Melissa came with her daughter the week before VBS in July (we advertised for that in our *House to House* mailing). The next Sunday Melissa came back, but not her daughter. One of the days of VBS, Melissa and David (her husband) came without their daughter and sat in the adult class. He didn't come much, but Melissa kept coming on and off, and sometimes her daughter came, too. She started coming more regularly again recently, and David reached out to me a few days before he was baptized for help with things going on in his life. That Sunday (10/29/17) I offered the invitation and they both came forward. I talked to them and studied with them a bit beforehand to make sure they understood, and they both seemed motivated to be baptized then. Most of the members of the church stayed behind until after the study was over and celebrated their baptism with them!"

**Study in Natchez, Mississippi:** Denny Calloway from the Briarwood Church of Christ in Natchez, Mississippi, sent this message: "We have had one person request and complete a Bible Correspondence Course. God bless!"

**Send us YOUR success stories.** We hear all the time when we run into someone, "Oh, I was going to write you, but I never got around to it. We had a baptism from HTH. We have a study going on. A member was restored. We added a family." Be sure to share with others in the program so all can be encouraged and be praying for success. Please e-mail your stories to [hth@housetohouse.com](mailto:hth@housetohouse.com).

## HELP TEACH AMERICA ABOUT

# BAPTISM

In July 2018, more than 1000 churches of Christ have committed to send *House to House/Heart to Heart* to their communities. The issue will feature an article on baptism based on Mark 16:16.

We hope to put this issue into the hands of 3,300,000 American families (the biggest HTH issue ever printed). An average American household has 2.58 people, so we could reach 8.5 million citizens.

We will need the help of 400 more congregations to reach this many citizens. Will you help us?
